

Want to be a part of Warwickshire Choristers?

As we look to the future we are opening up new opportunities for involvement at the heart of our organisation. Do you have skills to offer to a charity that reaches young people and promotes singing and its positive benefits across Warwickshire?

We are looking for up to three new trustees of the charity to join our established Board of Trustees. The Warwickshire Choristers Board currently consists of five Trustees who oversee the delivery of the organisation's Strategic Plan. We are particularly interested in people with expertise in finance or law and those with contacts in fundraising and income generation.

We want our Trustees to have diverse backgrounds and experience with a breadth of perspectives. We are a small organisation with big plans and welcome different ideas!

Commitment required

- Attendance at our AGM and at three Board meetings per annum, including input into our financial and strategic planning and the governance of the organisation
- Support to an annual programme of activities, including our successful concerts
- Advocacy of the organisation within diverse networks

Expression of Interest

Please send an expression of interest email to Stephanie Chettle-Gibrat, Chair of Trustees, at trustees@choristers.org stating what you would bring to the Board and the reasons for your interest.

Closing date 30th April 2020.

Current Trustees

Stephanie Chettle-Gibrat (Chair)

Jeremy Dibb (Secretary)

Alison Lole (Acting Treasurer)

Nick Hodges

Heather Somerfield
